Chief Judge Lipman

STATE ENTITIES' UNOPPOSED MOTION FOR PAGE ENLARGEMENT

Defendants the State of Tennessee and the Tennessee Bureau of Investigation ("State Entities") move pursuant to Local Rules 12.1(a) and (e) for an enlargement of the page limits applicable to briefing on the State Entities' motion to dismiss the United States's Complaint.

Specifically, the State Entities request an enlargement of five pages, for a total of 25 pages, for their Memorandum of Law in Support of the State Entities' Motion to Dismiss.

The State Entities respectfully submit that said enlargement is necessary to fully address the allegations raised by the United States' Complaint. This suit by the United States against the State of Tennessee raises important issues of statutory interpretation and jurisdiction that have significant federalism implications. Allowing the State Entities the opportunity to fully brief the issues at this stage may result in more efficient processing of the litigation. The undersigned has conferred with counsel for the United States, who do not oppose the five-page enlargement.

Respectfully submitted,

JONATHAN SKRMETTI
